

Terms & Conditions Argentina Invitational 2026

Prices and Currency:

• Prices are quoted in the “original currency,” which is the currency determined by the final service providers at the destination. Prices may change until the service providers have confirmed and finalized the reservations. Prices may also change if the basis on which they were quoted changes.

Price Freeze:

• The price in the “original currency” will be frozen upon payment of the deposit.

Taxes:

• The prices are FINAL and include all taxes both in the country of origin and in the destination (the country where the service is ultimately provided).

Reservations:

• The only way to consider a reservation firm is through the payment of 40% of the service's value. The balance (the remaining 60% of the services) must be paid before February 4, 2026. The amount will be considered “paid” only once it has been credited in favor of Wegolf. Full or partial advance payment of the reserved services implies acceptance of the general conditions.

Cancellations:

• When the passenger who reserved a trip confirms they will not attend, leaving their spot vacant:

- 1-From the reservation until February 4: The client will lose 10% of the total agreed price.
- 2-From February 5 to February 12: The client will lose 20% of the total agreed price.
- 3-From February 13 onwards: The client will lose 100% of the total agreed price, and the agency may dispose of these spots at its discretion, owing nothing to the client (whether or not they are occupied by another client).

Disclaimer of Responsibility for the Prohibition of Entry/Exit of the Client to the Destination Country:

• Wegolf declines all responsibility if foreign authorities refuse the passenger's visa or if, for any other special reason related to the passenger, foreign authorities do not allow their entry into the corresponding country. For Wegolf, it will be considered a case of “cancellation without replacement.”

Itinerary Changes:

• The travel itinerary is confirmed with the reservation and payment of 40%. During the time leading up to the full payment of the reservation, changes in golf courses or accommodation can be made according to the conditions established by our providers. Within 30 days prior to the trip, any changes will incur an additional cost according to the individual conditions established by each provider. Wegolf is not responsible for cases where the Foreign Provider considers a “No Show.”

Responsibilities:

• Wegolf has carefully selected its service providers, such as hotels, golf courses, resorts, transportation, guides, and other services. However, since these are independent providers, Wegolf will not be responsible for death, personal injury, or any other loss that may occur due to:

- a) Any act or omission of any of these providers.
- b) Any other event over which Wegolf has no control.

Company and EVT Record:

• Wegolf is the golf division of DISCOVER ARGENTINA S.A. Travel and Tourism Company approved by the National Tourism Secretariat of Argentina, with EVT Record #11364
